To accommodate the evolving priorities across different stages of life, we have also created sub-rankings tailored to life stages. Whether you're graduating from college, starting a family or business, navigating midlife changes, embracing retirement or embarking on a new chapter in a new country, our project can help you find the most liveable city for you.

Explore our list of the 100 most livable cities below. You can personalize the ranking to view the top 20 per region, select features most important to you or search for any city out of the 439 we included in our analysis to view its unique profile.

CANADA'S MOST LIVABLE CITIES:
